

NOTES FROM THE FLOOD FOCUS MEETING  
July 15, 2010 – Ligonier Police Station

Present: Gene Lightner, Mike Shellman, Patty Fisel, Rick Smigielski, Lynn Reynolds, Dave Abbott, Dave Wick, Scott Zeigler, and Nancy Brown.

The meeting began 7:00 P.M. and concluded 8:45 P.M.

The meeting opened with a discussion of the priority items as outlined by various members of the committee. We found many items in the Silver Jackets Report that scored high on most lists. After much discussion, Mike Shellman suggested that we simply adopt the recommendations of the Silver Jacket's, as listed in their report, as our list of priorities and a starting point to seek resolution to the flooding problems in the West Lakes area.

The committee acknowledged that it is time to add new members to the group to help address the various recommendations. Several committee members agreed to invite new members to the next meeting.

The need for staff and funding was again discussed.

It was also agreed that we will probably develop several sub-groups that will work on different priority items. We will continue to identify those groups and their responsibilities at the next meeting. Dave Wick and Lynn Reynolds will talk to Dave Yard about the availability of the funds that had been appropriated by the Legislature.

The next meeting will be held August 12 at 7 PM, at the Ligonier Police Station if it is available.

Meeting adjourned 8:45.
